

AHP MOTOR & PUMP DIVISION

Air Hydro Power has brought two great brands together in Kentucky; Lebanon Power and Apparatus and Gatterdam Industrial Services.

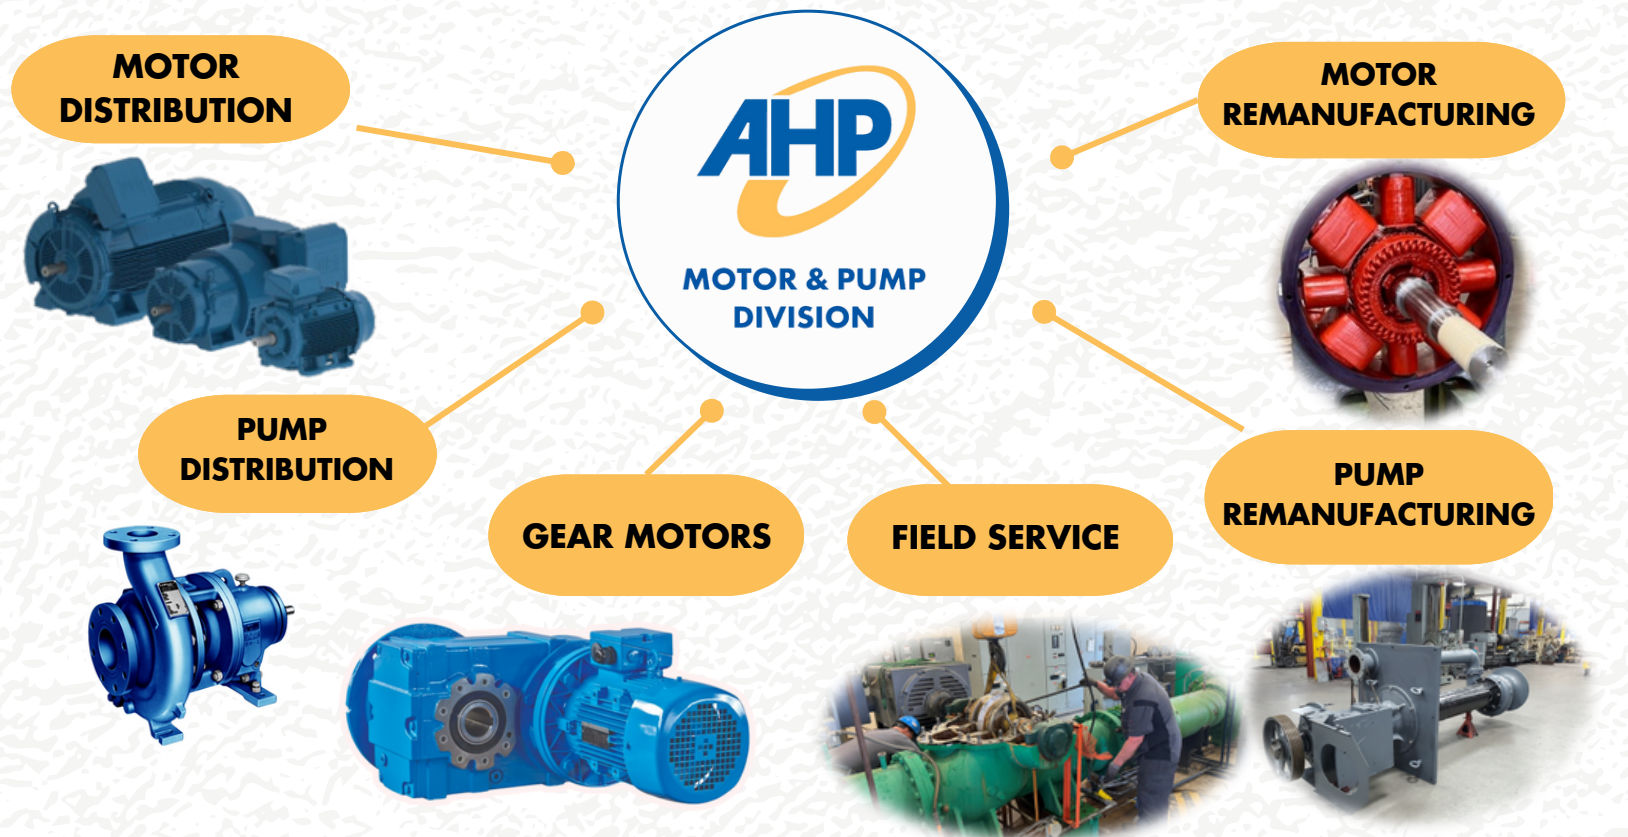

These two companies with three service locations, have combined to form the premier motor and pump remanufacturing service provider in the region. The AHP motor and pump division has the strongest inventory of motors and pumps in the area and are ready to assist you with your purchasing needs. Our product specialist team can help you overcome the most challenging applications!
